Outskirts Press, United States, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dosing Froggy The author, an anarchist, discusses his involvement with the left-wing and his role in MK-Ultra, the government case-rigging scheme designed to discredit credible witnesses. This entails frank discussion of plurium interrogationum (the trick or loaded question), gaslighting (reversal of accusation and intentional attempt to cause mental illness), confused similarity, linguistic deceit, the use of proxies, the use of psychomimetics (surreptitiously administered drugs designed to cause the false symptoms of mental illness and even dupe the victim into believing they are mentally ill), as well as the government's plan to run conspiracies through the mental health system: the LAST place anyone but a criminal sociopath would look for a conspiracy and the perfect choice for criminal sociopaths to run one. He also discusses the rigged trial of Theodore Kaczynski (the Unabomber) and how Kaczynski had been subjected to gaslighting prior to his trial, how the gaslighting caused Post Traumatic Stress Disorder and how the government is using intentionally induced Post Traumatic Stress Disorder to disable credible witnesses during the confrontation stage of trial where cue words...
