Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Facing Danger There are several wonderful streets in the United States. New York has Broadway with its famous white lights; Chicago, which is nothing if not big, has Halsted Street, the longest, or, as a Chicagoan would say, the biggest street in the world. But most wonderful of all is Canal Street, the sunny, the wide, the gay - Canal Street in New Orleans. Such was the opinion of a roguish-eyed, handsome, dark-complexioned young man as he sauntered along one sunny day in the opening year of the twentieth century. He was slightly above middle height, stockily built, and, by way of contrast to the men, women and children who passed him by, clothed in rather severe black. His dress was the dress of a cleric; his face that of one who had grown into manhood but remained nevertheless a boy. Canal Street is the great procession ground of the United States. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
