University of Missouri Press. Hardback. Book Condition: new. BRAND NEW, Missouri: Then and Now (2nd Revised edition), Perry McCandless, William E. Foley, Now available in a new and enlarged edition is the popular fourth-grade textbook, Missouri: Then and Now. Closely correlated with Missouri's Official Course Content Standards and profusely illustrated, with color pictures and maps distributed throughout the book, this text promises to meet the instructional needs of classrooms. Teachers will welcome the many special features designed to facilitate the mastery of the basic competencies measured by the Missouri Assessment Program. Missouri: Then and Now incorporates geography, civics, economics, anthropology, and sociology with history to give students an opportunity to learn about their world on several levels: the community (the origin and subsequent growth of towns), the region (the occupation and settlement of the Mississippi River Valley), the nation (the struggle for statehood, the westward movement, the Civil War, and the depression of the 1930s) and the world (exploration, world wars, the global economy, and the worldwide communications network). In addition to its many new features, Missouri: Then and...
