IN HIS CROSSHAIRS: ONE MAN'S EXPERIENCES OF A LIFETIME WITH HIS CREATOR

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.If you love hearing or reading real-life stories of people's experiences with the living God, you'll enjoy reading In His Cross-hairs. In this book the author tells of his experiences, starting from a young age, that not only got him thinking in terms of a world beyond our own but ultimately convinced him that God is real, and personal, and loving. Coincidences that were just too coincidental to be well, coincidence! Little miracles! The answers to prayers documented here are amazing as are the guidings of God's hand that saved on multiple occasions. And, when God whispers to the heart to do or say something, the results can be spectacular! His signature on a personal miracle is easy to recognize. God, too, has His ways of bringing in just the right person at just the right time to fulfill His perfect purpose. You'll meet Janice, postal Pete, confusin Susan, high-flyin Howard and quite a few others who were key pieces to the puzzle of the writer's spiritual growth in Christ. And speaking of puzzles well, you'll see what that's about when you get there. So, the book is all about God and His amazing ways of bringing a person to Him and then confirming His presence in a person's life. So, read and enjoy. May you be blessed, encouraged and edified in your relationship with the One Who made you, calls you and can walk with you every day of your life, then beyond! In His Cross-hairs. May Christ be glorified.
