Filesize: 4.01 MB

Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

OVERSPRAY: RIDING HIGH WITH THE KINGS OF CALIFORNIA AIRBRUSH ART (HARDBACK)

PictureBox Inc, United States, 2008. Hardback. Book Condition: New. 267 x 244 mm. Language: English . Brand New Book. Overspray is the conclusive account of the rise of airbrush art, and of the equally bright and glossy Los Angeles culture alongside which it came to prominence in the 1970s. Inspired by surf graphics, psychedelia and the slick shine of Hollywood, a generation of young artists began to make every lip and palm tree glisten, and every record cover shine. Fueled by a combination of intense demand, sleepless nights and brutal competition, the four men at the center of L.A. s airbrush art market--Charles E. White III, Peter Palombi, Dave Willardson and Peter Lloyd--embarked on careers encompassing work for Playboy, Levi s, the Rolling Stones, Rod Stewart and major studio films including American Graffiti and Tron. Together, their work came to define the look of illustrative graphics for a generation of viewers. This book tells the story of these four artists for the first time through hundreds of images of the artists best and best-known work, unseen production roughs, documentary photographs and other ephemera. Viewed now, their surreal, funny and utterly slick imagery seems all the more fantastic--combining technical precision with wild flights of imagination that bring to mind the work of some of today s top artists, from Takashi Murakami to Matthew Barney. Essay by Mike Salisbury, acclaimed designer of everything from Disney logos to Jurassic Park ad campaigns to Sassy magazine.
