Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The sound of far off sleigh bells drifted into her consciousness, and as Marne tried to remember where she was, she realized that a dark form was hovering above her. Marne struggled to scream as she saw the jagged edge of an unbent hanger as it descended toward her heart. Ken and Marne had been delighted to open their home to a beautiful baby boy in need of a loving family; little did they know that their adopted son had come with a hidden time bomb. Mark Tyler has known the heartbreaking loss of two members of his own family. Life with a child of severe behavior disorders was one of extreme challenges, but nothing could have prepared him for the way his own family story would tragically end. Study lessons of life from this grieving father; learn his most important truth and the family motto forged in pain that continues to give him strength to go on. Mark is hopeful that those who read this book will have a better understanding of hurting children and their families, providing a safe place where their fears are heard and their tears are understood.
