Coombs, author of the constructive suggestions contained in this paper, is a publicist who for decades has held high national rank. He achieved much during two successive congressional terms; and, appointed by President Cleveland, as Government Director of the Union Pacific Railroad, he brought out of a complication (almost universally regarded as unsolvable) a solution that gave him eminence both as a financier and diplomat - realizing for the United States Government upwards of \$125,000,000 from claims thitherto appraised as virtually valueless. In other activities he has won similar triumphs. And into the present paper he puts the seasoned results of study and devoted labor covering decades on decades. Mr. Coombs - still alertly active in business - is President of one of the prominent Savings Banks of Greater New York, in close touch with every public interest development: and any communication. - approving or

Reviews

This book is definitely not effortless to begin on looking at but quite entertaining to read. Better then never, though i am quite late in start reading this one. I am just easily can get a enjoyment of looking at a written ebook.
