What could be better than getting a billionaire for Christmas? A. Getting THREE billionaires for Christmas! Three Wise Men is a series of three books set in the sub-tropical Northland of New Zealand following the stories of three billionaire brothers and the single mums they fall in love with. Each book has a happy ending, but there will be a final conclusion to all three stories at the end of book 3. As a single mum who can barely afford to put food on the table, let alone fill her son Ryan's Christmas stocking with presents, Erin Bloom isn't particularly looking forward to the festive season. When Ryan has an asthma attack and ends up in hospital, she's convinced it's going to be the worst Christmas ever. Sure, Christmas is a time for miracles, but everyone knows wishes don't really come true. Consultant paediatrician Brock King lost his wife to cancer two years ago, and he's convinced the love he felt for her only comes around once in a lifetime. Then, while visiting the children's ward, he meets single mum Erin, and suddenly his future doesn't seem so bleak. Once Ryan recovers, Brock offers to take Erin away for her birthday, no strings attached, to give her the perfect gift every single mum would kill for-a night in an exclusive hotel. Will she take him up on his offer, which might (if she's very lucky) end up with hot sex with a billionaire? Or should she take the moral high ground and say no? Warning: Includes sexual content - adults only.
