THE QURAN AND SCIENCE

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Quran And Science By MR. Faisal Fahim A must read book of dawah, Quran, Hadith science. Allah has promised to keep The Quran same until the Day of Judgment challenged humans to create another accurate book like Quran said if you can t, surrender to your lord (the only way of peace heaven). Quran is word of God it has the information of past, present future. God reveled to Prophet Muhammad whatever God wanted to kept some information only to God by reveling some not reveling some. But still Quran is 1 great source of information from God. There is no God but Allah Muhammad (pbuh) is the prophet messenger of Allah. Allah (swt) Says: Invite to the Way of your Lord (i.e. Islam) with wisdom (i.e. with the Divine Revelation and the Qur an) and fair preaching, and argue with them in a way that is better. Truly, your Lord knows best who has gone astray from His Path, and He is the Best Aware of those who are guided. [Quran 16:125] Prophet Muhammad (PBUH) said: If Allah guides a person through you, it is better for you than all that is on the earth. (Bukhari No. 2783 Muslim No. 2406).Convey (my teachings) to the people even if it were a single sentence (Sahih Bukhari, Vol.4, Hadith 667) Verily, those who conceal the clear proofs, evidences and the guidance, which We have sent down, after We have made it clear for the people in the Book, they are the ones cursed by Allah and cursed by the cursers. (Quran, al-Baqarah: 159) So, buy a book read it yourself, also give to others, share it, spread the...
