Sarah continues to reveal all the crush and crashing about of events in her life from the age of thirty one to thirty three. And the person that she tells this to is me, your humble author. The wealthy suburbs of Washington D. C. , Savannah, Georgia, and Seattle, Washington all throb with the more mundane of adultery, alcoholism, pregnancies calling and its demise as well, the complexities of the expansion of social networking online and the incumbent rights to privacy within. There is advocacy and decency in addition. Children grow...
