Brand New Book ***** Print on Demand *****.Excerpt from Why We Practice Plural Marriage My purpose in publishing another pamphlet on the subject of plural marriage is to throw more light upon it, and to show forth the foolishness and inconsistency of those who hold it up as a foul stain that pollutes the very soil where it exists. Those who are striving to convert our children from the faith and principles so plainly set forth in their own Bible, and which were practiced by the old patriarchs, inspired prophets and mouth-pieces of God, whom Christians quote from as His sacred oracles, and yet wish to take away the civil and religious rights of a people whose belief and practice are confirmed by that very book.
