Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Codefore Publishing. Paperback. Book Condition: New. Jennifer Morehouse (illustrator). Paperback. 288 pages. Dimensions: 7.9in. x 4.9in. x 1.1in. Closed Eyes Who s killing our children By: J. D. Benish This novel is based on the discovery of a single suspect when in 1993 the author, a detective, opens the cold case murder of Tracy Neef. This murder occurred in 1984. To the author s surprise there is a clear suspect that had been questioned in 1984, but erroneously categorized as having an alibi. The author weeds through old case files and discovers how the investigation was hampered with confusion, mistakes and lack of expertise. There is microscopic evidence that indicates the perpetrator might be a welder. This suspect s occupation was as a welder. The author learns that there are similar welding particles left behind in other cases. The author interviews the suspect who lies when asked key questions. The author discovers that the suspect s previous arrests and sightings put him in close proximity to the Tracy Neef, Alie Berrelez, and JonBenet crime scenes. On July 9th 2008 the Boulder DA states that DNA has eliminated the Ramsey family as suspects in JonBenet s murder. The author believes that this suspect is a serial offender and is responsible for the murder of Tracey Neef, the abduction and assault of Michalel C. and the Murder of Ali Berrelez. The author believes that this suspect should be vigorously considered as a suspect in the murder of JonBenet Ramsey. The families deserve closure. The public has a right to know. The suspect has not been charged and is roaming our streets. 15. 00 This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
