Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A YA sci-fi/fantasy high adventure with more than a bit of humor, a la Terry Pratchett s Tiffany Aching. Annie Gomez, with help from her coterie of just-too-weird-to-be-popular friends, has to save humanity AND be home by 6 for dinner. Annie Gomez, having just completed 10th grade, wrestles with being the smartest person she knows (and probably the smartest person ever) and yet having to deal with absurd parents, thick classmates, and saving the world from aliens (or possibly fairies.) Fortunately, Annie isn t quite totally alone. Her circle of carefully chosen friends include Andy, half Inuit, half African-American, who once played Anne Frank on stage; Johnny, a shy Romany boy who loves history; Naomi, a sophisticated, mature woman of the world (ok, 16 year old of the world); Justin, who still looks like a 6th grader (and a golden retriever) but plays trombone with a world-class jazz band and is the high schools leading expert in exobiology - the study of alien life; and finally Aaron, whose brilliant mind is beyond the ken of ordinary humans. Aaron is autistic, rarely speaks, and spends his time in realms that are imaginary. Or are they? On the last day of the school year Annie s biology teacher warns her that he believes aliens are trying to take over her mind. Why not? she shrugs. Everyone else is. Yet as she continues to lose her grip on reality over the next weeks, she has no choice but to accept the possibility. As events unfold, Annie finds that not one but two different alien races are trying to contact her. One is trying to help. One is trying...
