McLelland & Stewart,, Toronto, ON., 1975. Soft Cover/Good/Clean&Solid. Book Condition: Very Good/No Marks. 1st Edition Softcover, This copy is in Very Good Condtion--a bit of aging "foxing" on pages. Arctic pipelines are back in the news and when Dosman published this book he was concerned about the development of a pipe line (perhas along the MacKenzie Valley) that would pour Canadian oil and natural gas directly into California's backyard. The issue still remains relevant but the NAFTA Agreement has changed the rules and now, even Alaskan politicians are talking about a pipeline from north slope Alaska to Chicago. The issue raised by Dosman is as current as to-day's news and the new MacKenzie Valley pipeline.
