Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Simon & Schuster Inc. Mai 2016, 2016. Buch. Book Condition: Neu. 239x161x37 mm. Neuware - In this instant New York Times bestseller, pioneering psychologist Angela Duckworth shows anyone striving to succeed-be it parents, students, educators, athletes, or business people-that the secret to outstanding achievement is not talent but a special blend of passion and persistence she calls 'grit.' Drawing on her own powerful story as the daughter of a scientist who frequently noted her lack of 'genius,' Duckworth, now a celebrated researcher and professor, describes her early eye-opening stints in teaching, business consulting, and neuroscience, which led to the hypothesis that what really drives success is not 'genius' but a unique combination of passion and long-term perseverance. In Grit , she takes readers into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers-from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. Among Grit 's most valuable insights: Why any effort you make ultimately counts twice toward your goal How grit can be learned, regardless of I.Q. or circumstances How lifelong interest is triggered How much of optimal practice is suffering and how much ecstasy Which is better for your child-a warm embrace or high standards The magic of the Hard Thing Rule Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that-not talent or luck-makes all the difference. 320 pp. Englisch.
