Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Canadian History This little work has been prepared at the request of Rev. Dr. Vincent, President of the Chautauqua Literary and Scientific Circle, for publication in New York, and is issued by the Canadian publisher in response to a demand for an aid in reviewing and preparing for examinations. It is not intended to fill the place of an exhaustive treatise on the subject, but it contains in systematic order the facts to be remembered by students. Teachers should read all the good books on the subject; so should their pupils after they leave school. They have not time to do so during school life. Pupils and students will find that, by the aid of this book, they can very readily recall the facts of Canadian History. Attention is directed to the topical arrangement of the events. They are not given in Diary or Day-book order, but are classified under appropriate headings. This will enable the student to learn them more intelligently as well as more easily. The Students Review Outlines form an important feature of the book. By means of them pupils can themselves test their acquaintance with the subject. These outlines will be of special value to those who are studying without a teacher. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
