

Alphabet Soup of Success: Excelling Through the Trials and Tribulations Associated with First-Year Educators

By Dominic A Corsini

America Star Books, United States, 2007. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Throughout the United States and in classrooms across the world teachers are actively working to educate the leaders of tomorrow. However, many of these educators will fall victim to the rigors and pitfalls associated with first-year teaching. As a result, one out of three new teachers will leave the profession within the first three years. Throughout this book weall take you through the experiences many new teachers face. Youall see not only how to survive these events, but how to excel through them. Teaching can be simple, fun and rewarding. The formula is easy and with a little effort it can produce phenomenal young educators. Prepare to open your mind to new possibilities, to learn from what others have done, and finally to experience a career full of unbridled success and achievement.
