Whitehall: The Street That Shaped a Nation

By Colin Brown

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Whitehall: The Street That Shaped a Nation, Colin Brown, No other street in Britain contains more landmarks to our island's history than Whitehall. Here, Colin Brown takes us behind its closed doors. We visit what was the most notorious address in London when Byron and Lady Caroline Lamb conducted their very public and tempestuous love affair; the Admiralty, where Nelson received his orders to attack the French; and fragments of the tennis courts where Anne Boleyn watched Henry VIII playing tennis in his 'slops'. We follow in Henry's footsteps down a secret passageway leading to Number Ten Downing Street, later used by Alastair Campbell to avoid the cameras outside Number Ten, and witness never-before-published documents that show how Churchill, in 1940, prepared for street fighting in Whitehall's departments. Whitehall tells the story of our island race, its empire, its conquests and its decline, encapsulated in one small corner of the capital.

Reviews

Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.
