Partridge India, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Life expects awareness and acceptance. There are people we meet, places we visit, see the things we hardly know and know the known better. Treading the unknown holds the key to being alive. In Knowing has shades of love, life and wisdom. It is a search, conflict, revelation and realisation. A play of abstract, spiritual, philosophical, inspirational love and life poems, In Knowing, expresses myriad feelings, some defined and some left to conjure. Perceptions, purely perspective, the words have been chosen to match the free flow of emotions. The anthology of seventy poems is special as seventy is the number associated with spirituality and sacredness. But, what makes these poems lovable? Probably, it's our state of mind at that moment - our poetic assumption. In Knowing, is a quest of finding unusual in the usual.
