Army War College, 2005 OCLC Number: (OCoLC)61345788 Subject: Military planning - United States. Excerpt: . . . and for temporarily increasing the size of the active duty military are primarily in the supplemental bills). The operations and maintenance increases reect the relentless upward pressure on accounts for health care, equipment maintenance, environmental cleanup, and the like, together with the Bush administrations decision to fully fund readiness accounts for training and equipment maintenance. The increases in acquisition funding are partly due to missile defense (5 billion a year higher than under Clinton), and partly to Rumsfelds transformation initiatives (again, about 5 billion annually). But they also reect the necessary decision to restore funding for hardware to historic norms after a procurement holiday in the 1990s. How much does the war on terror account for this increase in the defense budget Not very much, since, as noted, most of those costs (including those for protecting American airspace through Operation NOBLE EAGLE) are funded out of supplemental appropriations bills. The Pentagons funding...
