Pearson Education Limited, United Kingdom, 2014. Mixed media product. Book Condition: New. Global ed of 2nd revised ed. 275 x 236 mm. Language: N/A. Brand New Book. A Visual Approach to Two-Semester AP Visual Anatomy Physiology combines a visual approach with a modular organization to deliver an easy-to-use and time-efficient book that uniquely meets the needs of today's students without sacrificing the comprehensive coverage of AP topics required for careers in nursing and other allied health professions. The Second Edition addresses tough physiology topics with new and revised two-page modules. Brand-new end-of-chapter study and practice materials include a narrative Study Outline and comprehensive Chapter Review Questions. Module Reviews and Section Reviews, appearing throughout each chapter, give students additional tools for learning. In response to the strong demand from AP instructors, a brand-new Visual Anatomy Physiology Lab Manual uses the same visual approach and modular organization to help students succeed in the lab. This program presents a better teaching and learning experience by providing: *A visual approach and modular organization: The two-page modules seamlessly integrate text and visuals to guide students through complex topics and processes with no page flipping. The addition of new content in select modules gives students a...
