Brand New Book ***** Print on Demand *****.Excerpt from Report of State Board of Fish Commissioners: From September 30, 1902, to October 1, 1904 To His Excellency, Hon. Richard Yates, Governor State of Illinois: Dear Sir - We have the honor to submit herewith our report of State Board of Fish Commissioners from Oct. 1, 1902, to Sept. 30, 1904. The work of the commission has progressed along same lines as in former seasons. The collections for season of 1903 were good and plants were successfully made. Every indication of an increase of food fishes over previous seasons reported has been evident and reports from every part of the State indicate not only more fish but better care of them. The open waters of the Illinois river show a very marked increase since the introduction of the lake waters. For two seasons following the opening of the drainage canal the water was so high that the work of the market fishermen was largely interfered with, the river being out of its banks and fish out in the woods. The rest, however, has caused an...
