THE GHOST-SHIP AND OTHER STORIES

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An excerpt from the Introduction: THE other day I said to a friend, I have just been reading in proof a volume of short stories by an author named Richard Middleton. He is dead. It is an extraordinary book, and all the work in it is full of a quite curious and distinctive quality. In my opinion it is very fine work indeed. It would be so simple if the business of the introducer or preface-writer were limited to such a straightforward, honest, and direct expression of opinion; unfortunately that is not so. For most of us, the happier ones of the world, it is enough to say I like it, or I don't like it, and there is an end: the critic has to answer the everlasting Why? And so, I suppose, it is my office, in this present instance, to say why I like the collection of tales that follows. I think that I have found a hint as to the right answer in two of these stories. One is called The Story of a Book, the other The Biography of a Superman. Each is rather an essay than a tale, though the form of each is narrative. The first relates the sad bewilderment of a successful novelist who feels that, after all, his great work was something less than nothing. He could not help noticing that London had discovered the secret which made his intellectual life a torment. The streets were more than a mere assemblage of houses, London herself was more than a tangled skein of streets, and overhead heaven was more than a meeting-place of individual stars. What was this secret that...
