

My Father in Water

By Carol Guess

Shearsman Books, United Kingdom, 2011. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. My father hovers in the aperture of a glistening window, suicide botched by his mother's ghost. Numbers from his slide rule pause on the sill, fallen by chance into a brilliant formula. This interlinked collection of lyric essays documents Carol Guess's relationship to her father, a brilliant scientist whose intensity and eccentricity shaped family life in humorous and often lonely ways. In musical prose, writing as a poet, teacher, and queer activist, Guess describes a life lived in service to language. At once accessible and enigmatic, funny and somber, *My Father In Water* is a haunting examination of the impact of family history on one artist's journey.
