Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. My future was bleak, my family was in turmoil, and nothing was certain about my recovery. Events that might have ruined our lives had made us grow stronger and closer as a family, but nothing on that long path to recovery was easy.far from it. Medical opinion was that I would be wheelchair-bound for the rest of my life, and walking again was an absolute impossibility-yet I did it! My book not only tells of the journey to become a walking quadriplegic, but it also contains excerpts from each of my five children and husband who were highly impacted throughout my difficult experiences, and how my healing journey affected them into adulthood as well as how each of them overcame the effects of our family hardships. My story speaks of miraculous healing, surrender, acceptance, forgiveness, and human interest. It speaks of my spiritual growth with the Lord, and when he took me to heaven, it was the greatest experience of my life. I pray that this story will encourage my readers and know that with faith and a positive attitude and trust in the Lord, you can overcome.
