Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Bookkeeping for Small Businesses: Teach Yourself: Simple Steps to Becoming a Confident Bookkeeper, Andy Lymer, Nick Rowbottom, Is this the right book for me? Book keeping is neither dull nor mysterious - its rules are logical and straightforward and are readily mastered by practice. Successful Bookkeeping for Small Business is a substantial yet easy to follow introduction to the principles of bookkeeping and the practical skills of recording transactions, posting the ledgers and preparing final accounts. Written by finance and accounting experts from the University of Birmingham this book: - Explains the purpose and use of books of original entry as the basis of the double-entry system. - Describes the processes of recording purchases, sales and cash transactions. - Shows how these records are used to prepare the final accounts, the manufacturing, trading and profit and loss accounts and the balance sheet to provide accurate financial statements. - Explores petty cash, depreciation, partnership, company law, business documents and the effect of changes in IT. Worked examples throughout allow you to put the theory into practice. There is also a wide range of carefully graded questions and exercises with sample...
