Brand New Book ***** Print on Demand *****.Multiple thousands of years ago planet Earth was devastated by catastrophic flood waters and darkness, and all life on earth perished. The earth remained in that morbid state until the Creator came down to the void planet with a six day plan of restoration and creation. The Holocene period of the history of planet Earth began on day one of God s creative acts. God created all new life-forms upon earth which exists to this day. New Creation answers the difficult questions of when Earth was restored, how we got here, and the more relevant question of when life begins. Is it possible to unlock the mysteries of time and space?
