Booksurge, United States, 2007. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This thought-provoking book demonstrates that it is possible to experience perfect happiness and overcome life's fundamental problems through the power of love. And when sustained by love, happiness can cover the whole span of your life. The book also offers guidance on how love can lift the human consciousness to a higher level of understanding of the true meaning and purpose of life. Discover how to grow in love and avoid the excesses of human nature that promote sadness and disappointment. Send and receive love vibrations. Become more receptive to the messages of love. Find lasting happiness in married life by always following the aspirations of your soul when falling in love. Written in a very readable style, the book explains that love is a fundamental binding force that can transform human conduct until it is brought into harmony with the laws of nature. Love inspires us to follow common goals and values that unify humanity. Our actions possess moral worth when they are based on goodness and love. When we grow in love, we gain possession of the truth. And truth exposes ignorance by lifting the veil of darkness from our minds. The spirit of love is undoubtedly the most powerful force in the universe. And exercises throughout this book explain how to expand your capacity to love, enjoy life, and realize the full fruition of your human nature.
