Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1912 edition. Excerpt: . and well adapted to a car of its size and power comprise the list: Electric lights, 12-inch bullet headlights. 6-inch bullet sidelights and a tail light; Warner autometer, Jiffy curtains, Bosch magneto, demountable rims, including one extra rim and a holder; rear view mirror, top, with cover, windshield der dimensions, thermo-syphon cooling and automatic constant level lubrication; its axle-mounted three-speed change gear, center lever control and left drive. The new type Bosch magneto specified(for 1913 equipment is novel in that, by a special design of the pole shoes, sparks of equal intensity may be obtained with two different adjustments of the timing. It is. therefore, strictly a two-speed magneto, one position of the timing lever being employed for starting only, while the other is the regular running position. Another unusual detail is the tilting of the rear, full-elliptic springs. This brings the...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be writter in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- **Prof. Arlie Bogan**

It in a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
