In such poems as The Dark Night of the Soul, the 16th-century Spanish mystic St. John of the Cross left a profound record of personal faith, which has long inspired Christians seeking a deeper knowledge of God. Here R.A. Herrera discusses the phenomenon of mysticism, putting St. John of the Cross's life in the context of his time and culture, while offering new translations of some of his writings. Exploring the saint's continuing relevance to contemporary spirituality, Herrera's analysis is enriched with examples from philosophy, psychology, literature, and art. 166.
