

Teach Yourself Understand Science: Science, the Bits That Matter

By Jon Evans

Hodder Education. Paperback. Book Condition: new. BRAND NEW, Teach Yourself Understand Science: Science, the Bits That Matter, Jon Evans, Science is a vast subject and our understanding of the way the world works is growing all the time. No book could hope to include everything that science has discovered, but this book includes all of the essential facts about all the really key areas. Broken down into short, easy-to-digest sections it covers everything from evolution and cell biology to star formation and plate tectonics. Including sections on what technology may allow us to do in the future, and even looking at when science has gone bad, Understand Science will change the way you see the world around you.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
