But the day she types a particularly chilling phrase into her laptop, she has a global thriller on her hands that will not let her go until the whole world knows about it. When it mysteriously vanishes from her agent s laptop, Emily must resend it, but is interrupted by a series of emails from a former college lover. An action-packed literary journey into the heart of a writer-as Emily follows the exploits of special operative, Kenneth LaRoux, into a dark, decadent, and surreal world of limbo eruptions, corporate intrigue, Tang Dynasty myth, and the deepest secrets of the operative s own past. With more layers than the mere titillation of an unreliable narrator, MY ARCH EMILY is a haunting tale that will surprise you as it reveals why an author writes and how she learns to embrace the possibility of love. And, there is a cat.
